BRIEF ABSTRACT OF LETTER.

With refce to G.O. No 578-22 dt 12.7.1913, States that the Continuance of the road viz the Tagar or Anantapur is very necessary & requests Sanction first to Construct the road from Sukkur to Shimoga, the Section Common to both the Extensions at a Cost of Rs. 3000/, the Same being met from the NOTES AND ORDERS. Closing balance at the Credit of the D^t Bd

1) In the G.O. referred to, the work was ordered to be put off indefinitely as the Shimoga D^t Bd was not in a position to provide the necessary funds for either of the Extensions.

2) But the President now states that the Dist Bd has got a large balance at its credit from which it is proposed to meet the charge of the Section.

3) It is also evident that the Dist Bd wishes to Complete the work the cost being spread over a number of years. But their course it has already been pointed out in this office letter no 1399 - L.B. 261 of 16.5.1911 will not prove economical to the Dist Bd & that the period must at least be reduced to 3 or 4 years.

4) Then the question will be whether the Dist Bd will be able to Complete any one project at least in 4 years.

5) The distance between Ambliyola & Mandvi is about 11 miles & is Estimated to Cost Rs 32,594 or roughly Rs. 3000 per mile & that between Ambliyola & Sagar is about 18 miles & is expected to Cost Rs. 35,000 or Rs. 2000 per mile roughly. The Chief Engineer who was consulted is in favour of the route towards Sagar as being the better one.

Both the distances in which the Section was proposed to be altered.

7) Now it will be seen that the closing balance is larger than the minimum working balance by Rs. 46,367 but the expenditure is greater than the income by Rs. 1717.

21) Re question of the extension of the Shimoga - Hamblagatta road to Anantapur is a very old one. The necessity for the road was urged long ago by Col. Francis at the time of the original Settlement of the Taluk in 1872-73. As represented by the Dt Committee, this road is quite necessary in order to open up the Paiche tract lying between the Shimoga - Sagar, Sagar - Sirsi Koppa and Sirsi Koppa - Shimoga Roads.

flag S. 22) In G.O. 12-7-13, the question was ordered to lie over, as the Dt Board could not find the necessary funds. The Dt Board have now offered to construct the first stage, at a cost of Rs 5000/- the same being met from their closing balance. There is no financial objection to the proposal.

Sir,

Adverting to Government Order No. 518-22/L. B. 264-08-11 dated 12th July 1913 stating that the work of extending Shikarpur Ambligolla road to Sagar or Anantapur, has to be put off indefinitely as the Shimoga District Board is not in a position to provide necessary funds for either of the extensions and directing that the existing Cart-track should be repaired and maintained in a fair condition, I have the honor to state that the District Board at its meeting held on the 24th September 1913 has resolved that "as the District Board has a large balance at its credit and as the Continuation of the Shikarpur Ambligolla road to either Sagar or Anantapur

up for the present. The question whether the Anantapur or Sagar should be the terminus of the road can be decided later on.

Anantapur is very necessary, early steps be taken to Construct the road from Ambligolla to Gowja which is Common to both extensions and that the Sanction of Government be obtained for an additional budget grant of Rs 5000/- for the current year, so that a portion of the Work may be done during the year."

2. The resolution speaks for itself and I have the honor to request that the public Works Department may be asked to take up the Work as early as possible the necessary funds being provided by an additional budget grant from the balance at the Credit of the Board. The Shikarpur - Ambligolla road is a blind road and its extension to Anantapur has been Under Contemplation for at least 30 years past. A glance at the map will show how much the Country lying between the Shimoga - Sagar road, Shimoga - Sivalkoppa road and Sagar - Sivalkoppa road requires opening out. The proposed road from Ambligolla to Anantapur or Ambligolla to Sagar will go a great way towards meeting this, and as the Section from Ambligolla to Gaija is Common to both, it is requested that this may be taken up.

Extract from the Proceedings of an Ordinary Meeting of the District Board held on the 27th September 1913.
